SEAPASS CARDS - Please Note: That the SeaPass® cards are not to be placed next to other credit cards, cell phones or magnets as they can damage the magnetic band and stop them from working.

HELPFUL HEALTH INFORMATION - Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility for a consultation and treatment if necessary.

GRATUITIES - A \$12 gratuity will be automatically added to each guest's SeaPass® account on a daily basis to be shared among dining services, Stateroom Attendants and other housekeeping services crew who work to enhance the cruise. Suite guests will see a \$14.25 daily gratuity. Guests who prepaid gratuities prior to boarding the cruise will not have a daily charge onboard. A 15% gratuity is also automatically added to beverages, mini bar, and spa & salon purchases. In the unlikely event that a guest onboard being charged the daily automatic gratuity did not receive satisfactory service, the guest may request to modify the daily amount at their discretion by visiting the Guest Services desk prior to departure morning.

HEALTH ADVISORY - Diseases Spread by Mosquito - Chikungunya: In order to reduce the risk of contracting any number of diseases spread by mosquito bite, including Malaria, Dengue Fever (especially in the Dominican Republic, Puerto Rico, India, Mexico, and Haiti), and Chikungunya (especially in Haiti, Dominican Republic, St. Thomas and St. Maarten [both French and Dutch sides]), travelers are urged to take precautions to avoid mosquito bites by remaining in well screened or air conditioned areas when possible, by wearing clothing that adequately covers arms and legs, and by applying insect repellent to both skin and clothing. The most effective repellents are those containing DEET at a concentration of 20-30%. Although mosquitoes may bite at all times of the day or night, there are two peak periods of biting activity - in the morning for several hours after daybreak, and in the late afternoon, for several hours before dark. Mosquito repellent can be purchased in the ship's gift shop.

CRUISE COMPASS

Allure of the Seas®

DAY 3 Tuesday, January 13, 2015
Today we are in Labadee, Haiti

WELCOME TO LABADEE OUR VERY OWN PRIVATE PARADISE

On the north coast of Haiti sits a tropical haven we can call our own. Set amid spectacular mountains and lush foliage, Labadee, our first port of call, is reserved exclusively for Royal Caribbean International guests. Though privately owned, this breathtakingly beautiful destination still retains much of its local color. In 1492, the island was discovered by Christopher Columbus on his first voyage to the New World. Originally named "La Isla Española", it was later colonized by the French, whose influence is still prevalent in both culture and language. As you venture ashore to the white sandy beaches of Labadee, you'll undoubtedly appreciate its natural beauty. Spend the day basking in the sun, or engage in one of the many water sports available. Read on to learn more about all the fun things you can do while onshore.

The most effective repellents are those containing DEET at a concentration of 20-30%. CRUISE COMPASS

Allure of the Seas®

DAY 4 Wednesday, January 14, 2015

Today we are in: Falmouth, Jamaica

ENJOY FALMOUTH, JAMAICA

The Caribbean's Georgian-Style Gem. Once a major port in the 18th and 19th centuries, this Jamaican port grew incredibly wealthy off of sugar production. Ships laden with sugar and rum would leave for Britain daily, just as others would arrive with slaves. It was an age of prosperity and sophistication, marked by the splendid Georgian-style "Great Houses" still perfectly intact today. On the other hand, it was an economy entirely dependent on the slave trade—an age of inhumanity overshadowed by great fortune. All that came to an end with the Emancipation in 1840, and today, it's as if time stands still in colonial Falmouth. Many of the same quaint wooden houses still line the streets, with village carpenters handcrafting custom furniture in age-old tradition. A few of the old Georgian brick mansions and sugar plantations are now open to visitors, full of antiques and memorabilia to feed the imagination. And Falmouth's tropical setting is just as romantic. A 30-foot bamboo raft takes you down the Martha Brae River as you listen to the legends of an era gone by.

Bring your shopping list to Falmouth

Welcome to Falmouth, your shopping paradise in Jamaica! Explore the shops, all located within minutes of the ship. Remember your Falmouth Shopping Map and stick to the guaranteed stores. Enjoy!

Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Electronic cigarettes or e-cigarettes are only permitted within designated smoking areas. A Cigar Bar is available nightly in the Solarium Bar on Deck 16 or above the Solarium Bar portside on Deck 17. Please check the Evening Planner for times and location.

All Pool Deck Chairs are First Come, First Served – We hope you have a great time at the pool today. Please keep in mind that pool deck chairs are for the enjoyment of all of our guests. Pool deck chairs are only available on a first come, first served basis and may not be reserved. Thank you for your cooperation.

Baby Splash Zone – The Baby Splash Zone on Deck 15 is for use by children in swim diapers who are not completely toilet trained. Children must wear a clean swim diaper before using this facility. Frequent swim diaper changes are recommended. Swim Diapers are available at Breeze, Deck 15.

HEALTH ADVISORY – Diseases Spread by Mosquito - Chikungunya: In order to reduce the risk of contracting any number of diseases spread by mosquito bite, including Malaria, Dengue Fever (especially in the Dominican Republic, Puerto Rico, India, Mexico, and Haiti), and Chikungunya (especially in Haiti, Dominican Republic, and St. Martin [both French and Dutch sides]), travelers are urged to take precautions to avoid mosquito bites by remaining in well screened or air conditioned areas when possible, by wearing clothing that adequately covers arms and legs, and by applying insect repellent to both skin and clothing. The most effective repellents are those containing DEET at a concentration of 20-30%. Although mosquitoes may bite at all times of the day or night, there are two peak periods of biting activity – in the morning for several hours after daybreak, and in the late afternoon, for several hours before dark. Mosquito repellent can be purchased in the ship's gift shop.

SUNSET: 6:29 pm

IMPORTANT THINGS TO KNOW TODAY

SHIP'S ARRIVAL: 8:00 am - Ship's time
GANGWAY OPEN: 8:15 am - Estimated, based on clearance by local authorities - Ship's time
ALL ABOARD: 6:30 pm - Ship's time
GANGWAY: Please use the gangway button in the elevator. Please remain on ship's time.

TONIGHT'S DINNER DRESS SUGGESTION - Casual Attire. Please note that swimsuits, robes, bare feet, tank tops, baseball caps & pool wear are not allowed in the main dining restaurants or specialty restaurants. T-shirts, shorts & flip-flops are acceptable for lunch.

SAFETY WARNING - Serious accidents and fatalities have occurred when guests have rented or taken independent tours involving mopeds, scooters, or wave runners (jets skis). Except on our private destination at Labadee, where our trained and professional aquatics staff offer organized jet ski tours; Royal Caribbean strongly recommends that guests do not participate in such activities while ashore.

GOING ASHORE - We recommend our guests to use the gangway button in the elevator and follow the digital signs. For guests on tour, please consult your tour tickets. For guests not on tour, please note the first hour upon arrival will be the busiest time on the gangway. For a more relaxed departure, it is recommended to depart the ship 1 hour after arrival.

SEAPASS® CARD & PROOF OF CITIZENSHIP - Don't forget to bring your SeaPass card, picture identification or proof of citizenship today when you leave for Cozumel. A security checkpoint will be set up at the gangway for your safety.

SHORE VISITS BY MINORS - Parents or guardians must not permit any guest in their care under the age of 18 to leave the ship in any port without responsible adult supervision.

NEED TOWELS FOR YOUR ADVENTURES ASHORE? - Headed for the beach? Going Kayaking or snorkeling? Allure of the Seas now offers the convenience of using your SeaPass card to borrow as many pool towels as you need. For shore excursions, towels can be checked out at your tour's departure point. For exploring on your own, they're at the gangway. Just remember that there's a \$25 replacement fee for all unreturned towels, so please don't leave any behind! We want to keep the beaches and other destinations our guests visit as clean as when we first arrive.

AIRPORT TRANSFERS - Enjoy the convenience of purchasing your airport transfer to Miami International Airport for \$30 per person or Ft. Lauderdale International Airport for \$16.75 per person by visiting us no later than 7:00 pm Saturday, Day 6 at Guest Services, Deck 5. Please remember to keep the transfer receipt for your onboard purchase or the transfer voucher received prior to the cruise and presented to Royal Caribbean International terminal representative on Sunday morning.

DEPARTURE TALK - Tune in to Channel Channel 42 on your stateroom TV to have Ken Rush, your Cruise Director, tell you all you need to know about our arrival in Ft. Lauderdale on Sunday.

HELPFUL HEALTH INFORMATION - Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please call the medical staff at the following number: 1200 for a complimentary consultation and treatment.

NOTICES

Guest Satisfaction Survey - In Royal Caribbean's continued effort to Save the Waves, we are no longer delivering the Guest Satisfaction surveys to guest staterooms. All sailed guests over the age of 18 who have provided us with their email address will now receive an email invitation to participate in an online Guest Satisfaction survey on the day of departure. You will have one week to complete the survey, after leaving the ship. The survey works on smartphones, tablets, laptops and other computers and takes approximately 7 - 10 minutes to answer. And, enter for a chance to win a 7-night Caribbean cruise! <http://royalcaribbeansurveysweeps.com>.

MARPOL Convention - Discharge of all garbage into the sea is prohibited except provided otherwise. The MARPOL Convention and domestic law generally prohibit the discharge of most forms of garbage from ships into the sea. Violation of these requirements may result in penalties. All garbage is to be retained onboard and placed in the bins provided.

SAIL LIKE A VIP - Try your luck in our "Sail Like a VIP" slot promotion in Casino Royale. Simply insert your SeaPass card into any slot machine, the more you play, the more points you receive and the more chances you have to win a VIP Cruise Package: a 7-night cruise onboard Anthem of the Seas and \$500 credit to spend onboard!

It's not over yet. Not even close. So before you start packing up your souvenirs, think of all the memories you have yet to make. Your last day at sea could very well be the highlight of your whole cruise vacation. IMPORTANT THINGS TO KNOW TODAY

TONIGHT'S DINNER DRESS SUGGESTION - Casual Please note that swimsuits, robes, bare feet, tank tops, baseball caps & pool wear are not allowed in the main dining restaurants or specialty restaurants. T-shirts, shorts & flip-flops are acceptable for lunch.

DEPARTURE TALK - Tune in to Channel 42 on your stateroom TV to have Jerome, your Cruise Director, tell you all you need to know about our arrival in Fort Lauderdale on Sunday. Royal Caribbean is known for the signature Gold Anchor Service that makes your cruise truly memorable. Watch a special message during the Departure Talk to learn more about our service standards and the related gratuities that recognize the crew members who have served you.

GUEST SATISFACTION SURVEY - In Royal Caribbean's continued effort to Save the Waves, we are no longer delivering the Guest Satisfaction surveys to guest staterooms. All sailed guests over the age of 18 who have provided us with their email address will now receive an email invitation to participate in an online Guest Satisfaction survey on the day of departure. You will have one week to complete the survey, after leaving the ship. The survey works on smartphones, tablets, laptops and other computers and takes approximately 7 - 10 minutes to answer. And, enter for a chance to win a 7-night Caribbean cruise! <http://royalcaribbeanassurveysweeps.com>

EXPRESS WALK OFF - For those guests wishing to expedite their departure from the ship on Sunday morning, we encourage you to take advantage of the Express Walk Off program. To participate in the Express Walk Off process, simply leave your luggage inside your stateroom on Saturday evening and do not place it in the corridors for collection. On Sunday morning, after the ship has been cleared by Customs and Border Protection officials, you must carry your own luggage off the ship any time between 6:30 am - 8:00 am. Should you have any questions regarding the Express Walk Off process please contact your Stateroom Attendant.

FAREWELL MESSAGE - As our cruise vacation draws to a close, we wish to express - on behalf of the Master, Hotel Director, Officers, Staff and Crew - our best wishes for a safe return home. We trust you will have pleasant memories when reflecting on your sailing experiences and sincerely hope to see you on one of our Royal Caribbean International ships in the near future. We have been friends and shipmates for 2,232 nautical miles.

HELPFUL HEALTH INFORMATION - Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please call the medical staff at the following number: 1200 for a complimentary consultation and treatment.

TOMORROW IS DEPARTURE DAY - We will be returning to Ft. Lauderdale

WELCOME TO LABADEE®

Christopher Columbus was the first European to set foot on this spectacular peninsula of Hispaniola in 1492, when the Santa María ran aground off the coast on Christmas Day. Five centuries later, Royal Caribbean has transformed this secluded paradise into Labadee, a tropical retreat and playground, created exclusively for its guests. Behind the breezy island charm is a rich and colorful swashbuckling past. Nellie's Place is named for the Englishwoman who, legend has it, arrived at the time of the buccaneers and set up a trading post and tavern to serve visiting ships and their crews. The Old Bell Tower was erected to herald their arrival. Although the bell has been lost to history, the tower still stands today.

GENERAL INFORMATION

ACCESSIBILITY

A limited number of complimentary attended beach wheelchairs are available at the pier and at the Dragon Tram Station later in the day. All food and beverage venues, restrooms and the tram are wheelchair accessible.

HEALTH AND FIRST AID

The tropical sun can be extremely strong, even on cloudy days. We recommend that guests use sunscreen and bring T-shirts, cover-ups and, particularly for children and the sun-sensitive, sun-protective clothing like rashguard swimshirts.

We also advise having footwear that protects against the hot sand, pathways, rock and corals, especially if you plan on spending time at Adrenaline Beach or Dragon Beach.

Try to avoid strenuous activity on shore or in the water after eating. To reduce the risk of dehydration, drink plenty of liquids. Our First Aid Station is manned throughout the day.

SWIMMING

For the safety and enjoyment of our guests, Columbus Cove and Nellie's Beach are designated for swimming, as are parts of Adrenaline Beach and Dragon Beach. Some parts of Dragon's beach is designated for sunbathing only, due to rocks and reefs in the water.
